

DIPLOMA

FOR NHH ACADEMIC STAFF

NHH – the Norwegian School of Economics hereby certifies that

Ole Kristian Dyskeland

has participated and passed pedagogical training.

Course:	Basic Ped PhD
Year:	2024
Duration / workload:	50 hours
Course instructor:	Lucas Jenø

The course has focused on topics related to students' learning and styles of teaching; how students learn (active, passive), the relationship between learning, teaching and assessment (constructive alignment), the calculation of students' workload and core content analysis, assessment (alternatives to the traditional exam) and on rubrics. The participants have worked in groups during meetings, and have prepared and presented several individual assignments.
